

“accompanied by”. The words “from each officer to whom he was accountable or responsible for property” are substituted for the words “from only such of the bureaus of the Department of the Army to which the property for which they were accountable or responsible pertains”, since the Air Force does not have organic bureaus created by statute. The words “that he is not accountable or responsible for property to any other officer” are substituted for the words “accompanied by the affidavits of officers, of nonaccountability, or nonresponsibility to other bureaus of the Department of the Army” for the same reason. The reference to certificates from the General Accounting Office is omitted as obsolete. The last sentence is substituted for 10:878 (last 18 words). The last proviso of section 2 of the Act of January 12, 1899, ch. 46, 30 Stat. 784, is not contained in 10:878. It is also omitted from the revised section, since it related to authority of mustering officers to administer oaths, and the general authority to administer oaths is now contained in section 936 of this title (article 136 of the Uniform Code of Military Justice).

§ 9841. Payment of small amounts to public creditors

When authorized by the Secretary of the Air Force, a disbursing official of Air Force subsistence funds may keep a limited amount of those funds in the personal possession and at the risk of the disbursing official to pay small amounts to public creditors.

(2) Military technicians (dual status) shall be authorized and accounted for as a separate category of civilian employees.

(b) PRIORITY FOR MANAGEMENT OF MILITARY TECHNICIANS (DUAL STATUS).—(1) As a basis for making the annual request to Congress pursuant to section 115(g) of this title for authorization of end strengths for military technicians (dual status) of the Army and Air Force reserve components, the Secretary of Defense shall give priority to supporting authorizations for military technicians (dual status) in the following high-priority units and organizations:

(2) For each fiscal year, the Secretary of Defense shall, for the high-priority units and orga-

nizations referred to in paragraph (1), seek to achieve a programmed manning level for military technicians (dual status) that is not less than 90 percent of the programmed manpower structure for those units and organizations for military technicians (dual status) for that fiscal year.

(3) Military technician (dual status) authorizations and personnel shall be exempt from any requirement (imposed by law or otherwise) for reductions in Department of Defense civilian personnel and shall only be reduced as part of military force structure reductions.

(c) INFORMATION REQUIRED TO BE SUBMITTED WITH ANNUAL END STRENGTH AUTHORIZATION REQUEST.—(1) The Secretary of Defense shall include as part of the budget justification documents submitted to Congress with the budget of the Department of Defense for any fiscal year the following information with respect to the end strengths for military technicians (dual status) requested in that budget pursuant to section 115(g) of this title, shown separately for each of the Army and Air Force reserve components:

(2) Except as otherwise provided by law, the Secretary concerned may pay compensation described in paragraph (1) to an individual described in that paragraph who is no longer a member of the Selected Reserve for a period up to 12 months following the individual's loss of membership in the Selected Reserve if the Secretary determines that such loss of membership was not due to the failure of that individual to meet military standards.

Pub. L. 98-525, title V, § 552(a)-(e), (g), Oct. 19, 1984, 98 Stat. 2530, as amended by Pub. L. 103-337, div. A, title XVI, § 1661(a)(3)(B), Oct. 5, 1994, 108 Stat. 2980, provided that:

“(a)(1) The Secretary of Defense shall conduct a review of the various systems used to measure the readi-

ness of reserve units of the Armed Forces and shall implement a measurement system for the active and reserve components of the Armed Forces to provide an objective and uniform evaluation of the readiness of all units of the Armed Forces. The measurement system should be designed to produce information adequate to provide comparisons concerning the readiness of all units. The system for evaluation of the readiness of a unit of an active component should incorporate the performance of any unit of a reserve component affiliated with the active component unit, including the effect of the reserve component unit on the mobilization capability of the active component unit.

“(2) Not later than March 31, 1985, the Secretary shall submit a report to the Committees on Armed Services of the Senate and House of Representatives describing the results of the review under paragraph (1) and the measurement system implemented in accordance with that paragraph.

The study should consider the effects of allocating equipment by comparing units with similar deployment times and similar capabilities in terms of training and equipment rather than by comparing all reserve component units with each other. The study should be integrated with an evaluation of the system for measuring unit effectiveness to be implemented in accordance with subsection (a).

“(2) As part of the report under subsection (a)(2), the Secretary of Defense shall submit to the Committees on Armed Services of the Senate and House of Representatives a report on the study carried out under paragraph (1).

“(c) It is the sense of Congress that the number of members of the Army Reserve and of the Army National Guard assigned to full-time manning duty should be increased to 14 percent of the total membership of the Army Reserve and of the Army National Guard, respectively, by fiscal year 1989.

“(d)(1)(A) The Secretary of Defense, acting through the Assistant Secretary of Defense for Reserve Affairs, shall conduct a study of the benefits of a longer training program for certain units of the reserve components and shall conduct a test of such a program. The test program should begin at the earliest realistic date.

“(B) In developing training programs for the reserve components, the Secretary shall give increased attention to innovative training technologies, techniques, and schedules that recognize the limitations on time and the geographic dispersion of the reserve components.

“(2) Not later than March 31, 1985, the Secretary shall submit a report to the Committees on Armed Services of the Senate and House of Representatives describing the study under paragraph (1).

“(e) [Repealed. Pub. L. 103-337, div. A, title XVI, § 1661(a)(3)(B), Oct. 5, 1994, 108 Stat. 2980.]

AMENDMENTS

1994—Pub. L. 103-337, §1662(c)(2), renumbered section 596a of this title as this section.

EFFECTIVE DATE

Section effective Oct. 1, 1996, see section 1691(b)(1) of Pub. L. 103-337, set out as a note under section 10001 of this title.

§ 12207. Commissioned officers: service credit upon original appointment

(a)(1) For the purpose of determining the grade and the rank within grade of a person receiving an original appointment as a reserve commissioned officer (other than a commissioned warrant officer) in the Army, Navy, Air Force, or Marine Corps, the person shall be credited at the time of the appointment with any commissioned service (other than service as a commissioned warrant officer) performed before such appointment as a regular officer, or as a reserve officer in an active status, in any armed force, the National Oceanic and Atmospheric Administration, or the Public Health Service.

(2) The Secretary of Defense shall prescribe regulations, which shall apply uniformly among

the Army, Navy, Air Force, and Marine Corps, to authorize the Secretary of the military department concerned to limit the amount of prior commissioned service with which a person receiving an original appointment may be credited under paragraph (1), or to deny any such credit, in the case of a person who at the time of such appointment is credited with constructive service under subsection (b).

(b)(1) Under regulations prescribed by the Secretary of Defense, a person who is receiving an original appointment as a reserve commissioned officer (other than a commissioned warrant officer) of the Army, Navy, Air Force, or Marine Corps, or a designation in, or an assignment to, an officer category in which advanced education or training is required and who has advanced education or training, shall be credited with constructive service for such education, training, or experience, as follows:

(A) One year for each year of advanced education beyond the baccalaureate degree level, for persons appointed or designated in, or assigned to, officer categories requiring such advanced education or an advanced degree as a prerequisite for such appointment, designation, or assignment. In determining the number of years of constructive service to be credited under this subparagraph to officers in any professional field, the Secretary concerned shall credit an officer with, but with not more than, the number of years of advanced education required by a majority of institutions that award degrees in that professional field for completion of the advanced education or award of the advanced degree.

(B)(i) Credit for any period of advanced education in a health profession (other than medicine and dentistry) beyond the baccalaureate degree level which exceeds the basic education criteria for such appointment, designation, or assignment, if such advanced education will be directly used by the armed force concerned.

(ii) Credit for experience in a health profession (other than medicine or dentistry), if such experience will be directly used by the armed force concerned.

(C) Additional credit of (i) not more than one year for internship or equivalent graduate medical, dental, or other formal health professional training required by the armed forces, and (ii) not more than one year for each additional year of such graduate-level training or experience creditable toward certification in a specialty required by the armed force concerned.

(D) Additional credit, in unusual cases, based on special experience in a particular field.

(E) Additional credit for experience as a physician or dentist, if appointed, assigned, or designated as a medical or dental officer.

(2) If the Secretary of Defense determines that the number of medical or dental officers serving in an active status in a reserve component of the Army, Navy, or Air Force in grades below major or lieutenant commander is critically below the number needed by such reserve component in such grades, the Secretary of Defense may authorize the Secretary of the military department concerned to credit any person who is

receiving an original appointment for service as a medical or dental officer with a period of constructive credit in such amount (in addition to any amount credited such person under subsection (b)) as will result in the grade of such person being that of captain or, in the case of the Naval Reserve, lieutenant.

(3) Except as authorized by the Secretary concerned in individual cases and under regulations prescribed by the Secretary of Defense in the case of a medical or dental officer, the amount of constructive service credited an officer under this subsection may not exceed the amount required in order for the officer to be eligible for an original appointment as a reserve officer of the Army, Air Force, or Marine Corps in the grade of major or as a reserve officer of the Navy in the grade of lieutenant commander.

(4) Constructive service credited an officer under this subsection is in addition to any service credited that officer under subsection (a) and shall be credited at the time of the original appointment of the officer or assignment to or designation in an officer category in which advanced education or training or special experience is required.

(c) Constructive service may not be credited under subsection (b) for education, training, or experience obtained while serving as a commissioned officer (other than a warrant officer) on active duty or in an active status. However, in the case of an officer who completes advanced education or receives an advanced degree while on active duty or in an active status and in less than the number of years normally required to complete such advanced education or receive such advanced degree, constructive service may, subject to regulations prescribed under subsection (a)(2), be credited to the officer under subsection (b)(1)(A) to the extent that the number of years normally required to complete such advanced education or receive such advanced degree exceeds the actual number of years in which such advanced education or degree is obtained by the officer.

(d) If the Secretary of Defense determines that the number of qualified judge advocates serving on the active-duty list of the Army, Navy, Air Force, or Marine Corps in grades below lieutenant commander or major is critically below the number needed by that armed force in those grades, the Secretary of Defense may authorize the Secretary of the military department concerned to credit any person who is receiving an original appointment with a view to assignment to the Judge Advocate General's Corps of the Army or appointment to the Judge Advocate General's Corps of the Navy, or who is receiving an original appointment in the Air Force or Marine Corps with a view to designation as a judge advocate, with a period of constructive service in such an amount (in addition to any amount credited such person under subsection (b)) as will result in the grade of such person being that of captain or, in the case of the Navy, lieutenant, and the date of rank of such person being junior to that of all other officers of the same grade serving on the active-duty list.

(e) Constructive service credited an officer under subsection (b) or (d) shall be used only for determining the officer's—

- (1) initial grade as a reserve officer;
- (2) rank in grade; and
- (3) service in grade for promotion eligibility.

(f) The grade and position on the reserve active-status list of a person receiving an appointment as a reserve officer who at the time of appointment is credited with service under this section shall be determined under regulations prescribed by the Secretary of Defense based upon the amount of service credited.

CHAPTER REFERRED TO IN OTHER SECTIONS

This chapter is referred to in section 672 of this title; title 37 section 205.

§ 12301. Reserve components generally

(a) In time of war or of national emergency declared by Congress, or when otherwise authorized by law, an authority designated by the Secretary concerned may, without the consent of the persons affected, order any unit, and any member not assigned to a unit organized to serve as a unit, of a reserve component under the jurisdiction of that Secretary to active duty (other than for training) for the duration of the war or emergency and for six months thereafter. However a member on an inactive status list or in a retired status may not be ordered to active duty under this subsection unless the Secretary concerned, with the approval of the Secretary of Defense in the case of the Secretary of a military department, determines that there are not enough qualified Reserves in an active status or in the inactive National Guard in the required category who are readily available.

(b) At any time, an authority designated by the Secretary concerned may, without the consent of the persons affected, order any unit, and any member not assigned to a unit organized to serve as a unit, in an active status in a reserve component under the jurisdiction of that Secretary to active duty for not more than 15 days a year. However, units and members of the Army National Guard of the United States or the Air National Guard of the United States may not be ordered to active duty under this subsection without the consent of the governor of the State (or, in the case of the District of Columbia National Guard, the commanding general of the District of Columbia National Guard).

(c) So far as practicable, during any expansion of the active armed forces that requires that units and members of the reserve components be ordered to active duty (other than for training), members of units organized and trained to serve as units who are ordered to that duty without their consent shall be so ordered with their units. However, members of those units may be reassigned after being ordered to active duty (other than for training).

(d) At any time, an authority designated by the Secretary concerned may order a member of a reserve component under his jurisdiction to active duty, or retain him on active duty, with the consent of that member. However, a member of the Army National Guard of the United States or the Air National Guard of the United States may not be ordered to active duty under this subsection without the consent of the governor or other appropriate authority of the State concerned.

(e) The period of time allowed between the date when a Reserve ordered to active duty (other than for training) is alerted for that duty and the date when the Reserve is required to

enter upon that duty shall be determined by the Secretary concerned based upon military requirements at that time.

(f) The consent of a Governor described in subsections (b) and (d) may not be withheld (in whole or in part) with regard to active duty outside the United States, its territories, and its possessions, because of any objection to the location, purpose, type, or schedule of such active duty.

(g)(1) A member of a reserve component may be ordered to active duty without his consent if the Secretary concerned determines that the member is in a captive status. A member ordered to active duty under this section may not be retained on active duty, without his consent, for more than 30 days after his captive status is terminated.

(2) The Secretary of Defense shall prescribe regulations to carry out this section. Such regulations shall apply uniformly among the armed forces under the jurisdiction of the Secretary. A determination for the purposes of this subsection that a member is in a captive status shall be made pursuant to such regulations.

(3) In this section, the term “captive status” means the status of a member of the armed forces who is in a missing status (as defined in section 551(2) of title 37) which occurs as the result of a hostile action and is related to the member’s military status.

(h)(1) When authorized by the Secretary of Defense, the Secretary of a military department may, with the consent of the member, order a member of a reserve component to active duty—

(A) to receive authorized medical care;

(B) to be medically evaluated for disability or other purposes; or

(C) to complete a required Department of Defense health care study, which may include an associated medical evaluation of the member.

(2) A member ordered to active duty under this subsection may, with the member’s consent, be retained on active duty, if the Secretary concerned considers it appropriate, for medical treatment for a condition associated with the study or evaluation, if that treatment of the member is otherwise authorized by law.

(3) A member of the Army National Guard of the United States or the Air National Guard of the United States may be ordered to active duty under this subsection only with the consent of the Governor or other appropriate authority of the State concerned.

HISTORICAL AND REVISION NOTES

1956 ACT

Revised section	Source (U.S. Code)	Source (Statutes at Large)
674(a)	50:926(a) (less 1st 28 words).	July 9, 1952, ch. 608, § 206 (less 1st 28 words of (a)), 66 Stat. 483.
674(b)	50:926(b).	

In subsection (b), the words “to serve” are substituted for the words “for the purpose of serving”. The words “there are not enough * * * that are” are substituted for the words “adequate numbers of * * * are not”. The words “(other than for training)” are inserted, since the words “active duty” were defined in the source statute cited above to exclude “active duty for training”.

1962 ACT

The change is made to conform section 674(a) more closely to the source law for that section, section 206(a) of the Armed Forces Reserve Act of 1952 (66 Stat. 483). Section 206(a) of that Act defined the Standby Reserve in terms of units and members of the reserve components according to their liability to be ordered to active duty. It did not provide authority to order units and members of the Standby Reserve to active duty. This authority was provided by section 233(a) of the Armed Forces Reserve Act of 1952 (66 Stat. 489), which is restated in section 672(a) of title 10. Since the present language of section 674(a) may be interpreted to provide independent authority to order units and members of the Standby Reserve to active duty, it is revised to make clear that this is not the case and that section 672 is the authority for that action.

AMENDMENTS

1994—Pub. L. 103–337, § 1662(e)(2), renumbered section 674 of this title as this section.

Subsec. (a). Pub. L. 103–337, § 1675(c)(4), substituted “12301” for “672”.

1962—Subsec. (a). Pub. L. 87–651 substituted “only as provided in section 672 of this title” for “only in time of war, of national emergency declared by Congress, or when otherwise authorized by law”.

EFFECTIVE DATE OF 1994 AMENDMENT

SECTION REFERRED TO IN OTHER SECTIONS

This section is referred to in section 12312 of this title; title 14 section 41a.

§ 12312. Active duty agreements: release from duty

(a) Each agreement made under section 12311(a) of this title shall provide that the member may not be released from active duty without his consent during the period of the agreement—

(1) because of a reduction in the actual personnel strength of the armed force concerned, unless the release is in accordance with the recommendation of a board of officers appointed by an authority designated by the Secretary concerned to determine the members to be released from active duty under regulations prescribed by the Secretary; or

as having failed of selection for promotion to the next higher grade and has not been recommended for promotion to that grade, under conditions that would require the release or separation of a reserve officer who is not serving under such an agreement.

(b) A member who is released from active duty without his consent before the end of his agreement made under section 12311(a) of this title is entitled to an amount computed by multiplying the number of years and fractions of a year of his unexpired period of service under the agreement by the sum of one month's basic pay, special pay, and allowances to which he is entitled on the day of his release. - (2) released because of a physical disability resulting from his intentional misconduct or wilful neglect;
- (3) eligible for retired pay, separation pay, or severance pay under another provision of law;
- (4) placed on a temporary disability retired list; or
- (5) released to accept an appointment, or to be enlisted, in a regular component of an armed force.

(c) AMOUNT FOR PARTIAL MONTH.—The amount of insurance payable to an insured member for any period of covered service that is less than one month shall be determined by multiplying $\frac{1}{30}$ of the monthly benefit rate for the member by the number of days of the covered service served by the member during such period.

(d) ADJUSTMENT OF AMOUNTS.—(1) The Secretary shall determine annually the effect of inflation on benefits and shall adjust the amounts set forth in subsections (a) and (b)(2) to maintain the constant dollar value of the benefit.

The premium amount shall be equal to the share of the cost attributable to insuring the member and shall be the same for all members of the Ready Reserve who are insured under the insurance program for the same benefit amount. (b) LEVEL PREMIUMS.—The premium rate prescribed for the first year of insurance coverage of an insured member shall be continued without change for subsequent years of insurance coverage, except that the Secretary, after consultation with the Board of Actuaries, may adjust the premium rate in order to fund inflation-adjusted benefit increases on an actuarially sound basis.

(Added Pub. L. 104-106, div. A, title V, §512(a)(1), Feb. 10, 1996, 110 Stat. 301.)

(b) ADVANCE PAY FOR PREMIUM.—The Secretary concerned may advance to an insured member the amount equal to the first insurance premium payment due under this chapter. The advance may be paid out of appropriations for military pay. An advance to a member shall be collected from the member either by deducting and withholding the amount from basic pay payable for the member or by collecting it from the member directly. § 12528. Reserve Mobilization Income Insurance Fund

(a) ESTABLISHMENT.—There is established on the books of the Treasury a fund to be known as the “Reserve Mobilization Income Insurance Fund”, which shall be administered by the Secretary of the Treasury. The Fund shall be used for the accumulation of funds in order to finance the liabilities of the insurance program on an actuarially sound basis.

(b) ASSETS OF FUND.—There shall be deposited into the Fund the following:

(1) Premiums paid under section 12527 of this title.

(2) Any amount appropriated to the Fund.

(3) Any return on investment of the assets of the Fund.

(c) AVAILABILITY.—Amounts in the Fund shall be available for paying insurance benefits under the insurance program.

(d) INVESTMENT OF ASSETS OF FUND.—The Secretary of the Treasury shall invest such portion of the Fund as is not in the judgment of the Secretary of Defense required to meet current liabilities. Such investments shall be in public debt securities with maturities suitable to the needs of the Fund, as determined by the Secretary of Defense, and bearing interest at rates determined by the Secretary of the Treasury, taking into consideration current market yields on outstanding marketable obligations of the United States of comparable maturities. The income on such investments shall be credited to the Fund.

(e) ANNUAL ACCOUNTING.—At the beginning of each fiscal year, the Secretary, in consultation with the Board of Actuaries and the Secretary of the Treasury, shall determine the following:

(1) The projected amount of the premiums to be collected, investment earnings to be received, and any transfers or appropriations to be made for the Fund for that fiscal year.

§ 12529. Board of Actuaries

(a) **ACTUARIAL RESPONSIBILITY.**—The Board of Actuaries shall have the actuarial responsibility for the insurance program.

(b) **VALUATIONS AND PREMIUM RECOMMENDATIONS.**—The Board of Actuaries shall carry out periodic actuarial valuations of the benefits under the insurance program and determine a premium rate methodology for the Secretary to use in setting premium rates for the insurance program. The Board shall conduct the first valuation and determine a premium rate methodology not later than six months after the insurance program is established.

(c) **EFFECTS OF CHANGED BENEFITS.**—If at the time of any actuarial valuation under subsection (b) there has been a change in benefits under the insurance program that has been made since the last such valuation and such change in benefits increases or decreases the present value of amounts payable from the Fund, the Board of Actuaries shall determine a premium rate methodology, and recommend to the Secretary a premium schedule, for the liquidation of any liability (or actuarial gain to the Fund) resulting from such change and any previous such changes so that the present value of the sum of the scheduled premium payments (or reduction in payments that would otherwise be made) equals the cumulative increase (or decrease) in the present value of such benefits.

(d) **ACTUARIAL GAINS OR LOSSES.**—If at the time of any such valuation the Board of Actuaries determines that there has been an actuarial gain or loss to the Fund as a result of changes in actuarial assumptions since the last valuation or as a result of any differences, between actual and expected experience since the last valuation, the Board shall recommend to the Secretary a premium rate schedule for the amortization of the cumulative gain or loss to the Fund resulting from such changes in assumptions and any previous such changes in assumptions or from the differences in actual and expected experience, respectively, through an increase or decrease in the payments that would otherwise be made to the Fund.

(e) **INSUFFICIENT ASSETS.**—If at any time liabilities of the Fund exceed assets of the Fund as a result of members of the Ready Reserve being ordered to active duty as described in section 12521(2) of this title, and funds are unavailable to pay benefits completely, the Secretary shall request the President to submit to Congress a request for a special appropriation to cover the unfunded liability. If appropriations are not made to cover an unfunded liability in any fiscal year, the Secretary shall reduce the amount of the benefits paid under the insurance program to a total amount that does not exceed the assets of the Fund expected to accrue by the end of such fiscal year. Benefits that cannot be paid because of such a reduction shall be deferred and may be paid only after and to the extent that additional funds become available.

(f) **DEFINITION OF PRESENT VALUE.**—The Board of Actuaries shall define the term “present value” for purposes of this subsection.

(Added Pub. L. 104-106, div. A, title V, §512(a)(1), Feb. 10, 1996, 110 Stat. 303.)

§ 12530. Payment of benefits

(a) **COMMENCEMENT OF PAYMENT.**—An insured member who serves in excess of 30 days of covered service shall be paid the amount to which such member is entitled on a monthly basis beginning not later than one month after the 30th day of covered service.

(b) **METHOD OF PAYMENT.**—The Secretary shall prescribe in the regulations the manner in which payments shall be made to the member or to a person designated in accordance with subsection (c).

(c) **DESIGNATED RECIPIENTS.**—(1) A member may designate in writing another person (including a spouse, parent, or other person with an insurable interest, as determined in accordance with the regulations prescribed by the Secretary) to receive payments of insurance benefits under the insurance program.

(2) A member may direct that payments of insurance benefits for a person designated under paragraph (1) be deposited with a bank or other financial institution to the credit of the designated person.

(d) **RECIPIENTS IN EVENT OF DEATH OF INSURED MEMBER.**—Any insurance payable under the insurance program on account of a deceased member's period of covered service shall be paid, upon the establishment of a valid claim, to the beneficiary or beneficiaries which the deceased member designated in writing. If no such designation has been made, the amount shall be payable in accordance with the laws of the State of the member's domicile.

(Added Pub. L. 104-106, div. A, title V, §512(a)(1), Feb. 10, 1996, 110 Stat. 304.)

§ 12531. Purchase of insurance

(a) **PURCHASE AUTHORIZED.**—The Secretary may, instead of or in addition to underwriting the insurance program through the Fund, purchase from one or more insurance companies a policy or policies of group insurance in order to provide the benefits required under this chapter. The Secretary may waive any requirement for full and open competition in order to purchase an insurance policy under this subsection.

(b) **ELIGIBLE INSURERS.**—In order to be eligible to sell insurance to the Secretary for purposes of subsection (a), an insurance company shall—

(1) be licensed to issue insurance in each of the 50 States and in the District of Columbia; and

(2) as of the most recent December 31 for which information is available to the Secretary, have in effect at least one percent of the total amount of insurance that all such insurance companies have in effect in the United States.

(c) **ADMINISTRATIVE PROVISIONS.**—(1) An insurance company that issues a policy for purposes of subsection (a) shall establish an administrative office at a place and under a name designated by the Secretary.

(2) For the purposes of carrying out this chapter, the Secretary may use the facilities and services of any insurance company issuing any policy for purposes of subsection (a), may designate one such company as the representative of the other companies for such purposes, and may contract to pay a reasonable fee to the designated company for its services.

(d) REINSURANCE.—The Secretary shall arrange with each insurance company issuing any policy for purposes of subsection (a) to reinsure, under conditions approved by the Secretary, portions of the total amount of the insurance under such policy or policies with such other insurance companies (which meet qualifying criteria prescribed by the Secretary) as may elect to participate in such reinsurance.

(e) TERMINATION.—The Secretary may at any time terminate any policy purchased under this section.

(Added Pub. L. 104-106, div. A, title V, §512(a)(1), Feb. 10, 1996, 110 Stat. 304.)

§ 12532. Termination for nonpayment of premiums; forfeiture

(a) TERMINATION FOR NONPAYMENT.—The coverage of a member under the insurance program shall terminate without prior notice upon a failure of the member to make required monthly payments of premiums for two consecutive months. The Secretary may provide in the regulations for reinstatement of insurance coverage terminated under this subsection.

(b) FORFEITURE.—Any person convicted of mutiny, treason, spying, or desertion, or who refuses to perform service in the armed forces or refuses to wear the uniform of any of the armed forces shall forfeit all rights to insurance under this chapter.

(Added Pub. L. 104-106, div. A, title V, §512(a)(1), Feb. 10, 1996, 110 Stat. 305.)

§ 12533. Termination of program

(c) TERMINATION OF COVERAGE.—(1) The enrollment under the insurance program of insured members other than insured members described in paragraph (2) is terminated as of the date of the enactment of this section. The enrollment of an insured member described in paragraph (2) is terminated as of the date of the termination of the period of covered service of that member described in that paragraph.

(2) An insured member described in this paragraph is an insured member who on the date of the enactment of this section is serving on covered service for a period of service, or has been issued an order directing the performance of covered service, that satisfies or would satisfy the entitlement-to-benefits provisions of this chapter.

(d) TERMINATION OF PAYMENT OF BENEFITS.—The Secretary may not make any benefit pay-

ment under the insurance program after the date of the enactment of this section other than to an insured member who on that date (1) is serving on an order to covered service, (2) has been issued an order directing performance of covered service, or (3) has served on covered service before that date for which benefits under the program have not been paid to the member.

§ 12731. Age and service requirements

(a) Except as provided in subsection (c), a person is entitled, upon application, to retired pay computed under section 12739 of this title, if the person—

- (1) is at least 60 years of age;
- (2) has performed at least 20 years of service computed under section 12732 of this title;

- (4) is not entitled, under any other provision of law, to retired pay from an armed force or retainer pay as a member of the Fleet Reserve or the Fleet Marine Corps Reserve.

(b) Application for retired pay under this section must be made to the Secretary of the military department, or the Secretary of Transportation, as the case may be, having jurisdiction at the time of application over the armed force in which the applicant is serving or last served.

(c)(1) A person who, before August 16, 1945, was a Reserve of an armed force, or a member of the Army without component or other category covered by section 12732(a)(1) of this title except a regular component, is not eligible for retired pay under this chapter unless—

(A) the person performed active duty during World War I or World War II; or

(B) the person performed active duty (other than for training) during the Korean conflict, the Berlin crisis, or the Vietnam era.

(2) In this subsection:

(A) The term “World War I” means the period beginning on April 6, 1917, and ending on November 11, 1918.

HISTORICAL AND REVISION NOTES 1956 ACT

Revised section	Source (U.S. Code)	Source (Statutes at Large)
1331(a)	10:1036a(a) (less last proviso). 10:1036d (1st sentence). 34:440i(a) (less last proviso). 34:440l (1st sentence).	June 29, 1948, ch. 708, §§ 302(a), (d), 305 (1st sentence), 62 Stat. 1087-1089; July 12, 1952, ch. 698, 66 Stat. 590.
1331(b)	10:1036a(d). 34:440i(d).	
1331(c)	10:1036a(a) (last proviso). 34:440i(a) (last proviso).	

In subsection (a), the words “is entitled” are substituted for the words “shall * * * be granted”. The words “in the status of a commissioned officer, warrant officer, flight officer, or enlisted person” and the references to reserve components are omitted as surplusage. Reference to the Army and the Air Force without component is inserted, since the words “reserve component”, as used in 10:1036a(a), include all members of the Army and the Air Force except members of the regular components thereof. The words “service, computed under section 1332 of this title” are substituted for the words “satisfactory Federal service” to make it clear that some service that is not normally covered by the latter term may be counted in determining rights to retired pay under this chapter. Section 311 of the source statute, which made title III of that act applicable to the Coast Guard, was expressly repealed by the Act of August 4, 1949, ch. 393, § 20, 63 Stat. 565, the act which codified Title 14 of the United States Code. 14 U.S.C. 755(e) provides for Coast Guard Reservists the same retirement benefits as those prescribed by law for the Naval Reserve, and, for this purpose, confers upon the

Secretary of the Treasury the same authority as that conferred upon the Secretary of the Navy, when the Coast Guard is operating under the Treasury Department. Accordingly, the revised chapter is made expressly applicable to the Coast Guard.

In subsection (c), the words “the Army without component or other category covered by section 1332(a)(1) of this title” are inserted, since the words “reserve component”, as used in 10:1036a(a), also cover members without component and members of the other special categories listed. The words “annual training duty, or attendance at a school designated as a service school by law or by the Secretary of the appropriate military department” are inserted since the words “active Federal service”, as used in 10:1036a(a), also cover the additional service listed. The words “active duty” are substituted for the words “active Federal service” for uniformity.

1958 ACT

The change makes clear that in the determination of eligibility for retired pay for non-regular service, the service of a Regular serving in a temporary grade (that is, without component) may not be counted. See opinion of the Judge Advocate General of the Army, JAGA 1957/4463, May 13, 1957.

“(2) he performed active duty (other than for training) after June 26, 1950, and before July 28, 1953, after August 13, 1961, and before May 31, 1963, or after August 4, 1964, and before March 28, 1973.”,

for “unless he performed active duty after April 5, 1917, and before November 12, 1918, or after September 8, 1940, and before January 1, 1947, or unless he performed active duty (other than for training) after June 26, 1950, and before July 28, 1953”.

 - (A) as of October 1, 1991, has completed at least 15, and less than 20, years of service computed under section 12732 of this title; or

- (2) upon the request of the member submitted to the Secretary, transfer the member to the Retired Reserve.

HISTORICAL AND REVISION NOTES—CONTINUED 1956 ACT

<i>Revised section</i>	<i>Source (U.S. Code)</i>	<i>Source (Statutes at Large)</i>
	34:440m(e). 34:440m(f).	

Subsection (a) consolidates the provisions of 10:1036a and 1036e(b)-(d), and 34:440i and 440m(b)-(d), relating to service that may be counted in determining eligibility for retired pay under this chapter. 10:1036e(a) and 34:440m(a) are omitted as covered by the enumeration of the service that may be counted for the purposes of the revised section.

In subsection (a)(1)(A)-(F), the requirement that the service must have been satisfactory is omitted as executed, since all service before July 1, 1949, has been found to have been satisfactory by the Secretaries concerned.

In subsection (a)(1)(A), the words "the armed forces" are substituted for clauses (1), (2), (5)-(7), (9), (10), and (13)-(16), of 10:1036e(c) and 34:440m(c), and so much of clause (8) of 10:1036e(c) and 34:440m(c) as relates to the Naval Reserve and the Naval Reserve Force as constituted after February 28, 1925, since the service covered by those clauses when added to service in the regular components, comprises all service in the armed forces.

In subsection (a)(1)(B)-(C), the words "June 15" are inserted to reflect the exact date of the change in National Guard status made by section 5 of the Act of June 15, 1933, ch. 87, 48 Stat. 155, which established the National Guard of the United States as a reserve component of the Army.

In subsection (a)(1)(D), 10:1036e(c)(8) (last 25 words), 10:1036e(c)(9) (last 22 words), 34:440m(c)(8) (last 25 words), and 34:440m(c)(9) (last 22 words) are omitted as covered by subsection (b)(5).

In subsection (a)(2)(A), the words "service that conformed to required standards and qualifications" are substituted for 10:1036e(b) and 34:440m(b). In clause (a)(2)(A), 10:1036e(d) and 34:440m(d), which make it clear that "active Federal service", in the sense in which that term is used in 10:1036a-e and 34:440i-m, includes annual training duty and attendance at service schools, are omitted as covered by sections 101(22) and 101(24) of this title.

In subsection (a)(2)(A) and (B), specific reference is made to National Guard service to reflect the opinion of the Judge Advocate General of the Army (JAGA, 1956/1908, 13 Feb. 1956).

In subsection (a)(2)(C), the words "other than active Federal service" are omitted, since the points for membership are not reduced by active duty (see opinion of the Judge Advocate General of the Army (JAGA, 1953/2016, 3 Mar. 1953)).

In subsections (a) and (b), the words "active service" are substituted for the words "active Federal service" for uniformity of expression. In clause (5), the words "transferred thereto after completion of 16 or more years of active naval service" are omitted, since other authorized fleet reserve categories have not been used and authority for them is omitted from this revised title as unnecessary.

Subsection (b)(1)-(4) is inserted because of 10:1036e(e) and (f) and 34:440m(e) and (f), which state that the service enumerated in those clauses may not be considered in determining eligibility for retired pay under this chapter. Clause (5) is based on the exclusions in 34:440m(c)(8)-(9).

Subsection (b)(6) is inserted for clarity since 10:1036a and 34:440i were limited in applicability to service in the status of a "commissioned officer, warrant officer, flight officer, or enlisted person."

1958 ACT

The word "full-time" is inserted for clarity. The other change reflects the opinion of the Judge Advocate General of the Army (JAGA 1956/1908, Feb. 13, 1956)

that duty performed under section 92 of the National Defense Act, the source statute for section 502 of title 32, was creditable in determining entitlement to retired pay under section 302 of the Army and Air Force Vitalization and Retirement Equalization Act of 1948 (62 Stat. 1087), the source statute for section 1332 of title 10.

“(b) PROMOTIONS OTHER THAN TO FILL VACANCIES.—A reserve officer of the Army or Air Force who, on the day before the effective date of this title, is recommended for promotion under section 3366, 3367, 3370, 3371, 8366, or 8371 of title 10, United States Code, as in effect on the day before the effective date of this title, to a reserve grade higher than the grade in which the officer is serving shall be considered to have been recommended for promotion by a mandatory promotion board convened under section 14101(a)(1) of title 10, United States Code, as added by this title.

“(c) OFFICERS FOUND QUALIFIED FOR PROMOTION TO FIRST LIEUTENANT.—A reserve officer of the Army or Air Force who, on the effective date of this title, holds the grade of second lieutenant and has been found qualified for promotion to the grade of first lieutenant in accordance with section 3365, 3382, or 8365 of title 10, United States Code, as in effect on the day before the effective date of this title, shall be promoted to that grade on the date on which the officer would have been promoted under the provisions of chapter 337 or 837 of such title, as in effect on the day before the effective date of this title, unless sooner promoted under regulations prescribed by the Secretary of the Army or the Secretary of the Air Force under section 14308(b) of title 10, United States Code, as added by this title.

§ 14304. Eligibility for consideration for promotion: maximum years of service in grade

(a) CONSIDERATION FOR PROMOTION WITHIN SPECIFIED TIMES.—(1) Officers described in paragraph (3) shall be placed in the promotion zone for that officer's grade and competitive category, and shall be considered for promotion to the next higher grade by a promotion board con-

vened under section 14101(a) of this title, far enough in advance of completing the years of service in grade specified in the following table so that, if the officer is recommended for promotion, the promotion may be effective on or before the date on which the officer will complete those years of service.

Current Grade	Maximum years of service in grade
First lieutenant or Lieutenant (junior grade)	5 years
Captain or Navy Lieutenant ...	7 years
Major or Lieutenant commander	7 years

(2) Paragraph (1) is subject to subsections (a), (b), and (c) of section 14301 of this title and applies without regard to vacancies.

(3) Paragraph (1) applies to an officer who is on the reserve active-status list of the Army, Navy, Air Force, or Marine Corps and who holds a permanent appointment in the grade of first lieutenant, captain, or major as a reserve of the Army, Air Force, or Marine Corps, or to an officer on the reserve active-status list of the Navy in the grade of lieutenant (junior grade), lieutenant, or lieutenant commander as a reserve of the Navy, and who, while holding that appointment, has not been considered by a selection board convened under section 14101(a) or 14502 of this title for promotion to the next higher grade.

(b) PROMOTION DATE.—An officer holding a permanent grade specified in the table in subsection (a) who is recommended for promotion to the next higher grade by a selection board the first time the officer is considered for promotion while in or above the promotion zone and who is placed on an approved promotion list established under section 14308(a) of this title shall (if not promoted sooner or removed from that list by the President or by reason of declination) be promoted, without regard to the existence of a vacancy, on the date on which the officer completes the maximum years of service in grade specified in subsection (a). The preceding sentence is subject to the limitations of section 12011 of this title.

(c) WAIVER AUTHORITY FOR NAVY AND MARINE CORPS RUNNING MATE SYSTEM.—If the Secretary of the Navy establishes promotion zones for officers on the reserve active-status list of the Navy or the Marine Corps Reserve in accordance with a running mate system under section 14306 of this title, the Secretary may waive the requirements of subsection (a) to the extent the Secretary considers necessary in any case in which the years of service for promotion, or for consideration for promotion, within those zones will exceed the maximum years of service in grade specified in subsection (a).

Force may waive the provisions of section 14304 of title 10, United States Code, as added by this title. The Secretary may, in addition, during any period in which such a waiver is in effect, establish minimum periods of total years of commissioned service an officer must have served to be eligible for consideration for promotion to the grade of captain, major, or lieutenant colonel by boards convened under section 14101(a) of title 10, United States Code, as added by this title."

SECTION REFERRED TO IN OTHER SECTIONS

This section is referred to in sections 12009, 14305 of this title.

§ 14305. Establishment of promotion zones: mandatory consideration for promotion

(a) ESTABLISHMENT OF ZONE.—Before convening a mandatory promotion board under section 14101(a) of this title, the Secretary of the military department concerned shall establish a promotion zone for officers serving in each grade and competitive category to be considered by the board.

(b) NUMBER IN THE ZONE.—The Secretary concerned shall determine the number of officers in the promotion zone for officers serving in any grade and competitive category from among officers who are eligible for promotion in that grade and competitive category under the provisions of sections 14303 and 14304 of this title and who are otherwise eligible for promotion.

(c) FACTORS IN DETERMINING NUMBER IN THE ZONE.—The Secretary's determination under subsection (b) shall be made on the basis of an estimate of the following:

(1) The number of officers needed in that competitive category in the next higher grade in each of the next five years.

(2) In the case of a promotion zone for officers to be promoted to a grade to which the maximum years of in grade criteria established in section 14304 of this title apply, the number of officers in that competitive category who are required to be considered for selection for promotion to the next higher grade under that section.

(3) The number of officers that should be placed in the promotion zone in each of the next five years to provide to officers in those years relatively similar opportunities for promotion.

§ 14306. Establishment of promotion zones: Naval Reserve and Marine Corps Reserve running mate system

(a) AUTHORITY OF SECRETARY OF THE NAVY.—The Secretary of the Navy may by regulation implement section 14305 of this title by requiring that the promotion zone for consideration of officers on the reserve active-status list of the Navy or the Marine Corps for promotion to the next higher grade be determined in accordance with a running mate system as provided in subsection (b).

(b) ASSIGNMENT OF RUNNING MATES.—An officer to whom a running mate system applies

shall be assigned as a running mate an officer of the same grade on the active-duty list of the same armed force. The officer on the reserve active-status list is in the promotion zone and is eligible for consideration for promotion to the next higher grade by a selection board convened under section 14101(a) of this title when that officer's running mate is in or above the promotion zone established for that officer's grade under chapter 36 of this title.

(c) CONSIDERATION OF OFFICERS BELOW THE ZONE UNDER A RUNNING MATE SYSTEM.—If the Secretary of the Navy authorizes the selection of officers for promotion from below the promotion zone in accordance with section 14307 of this title, the number of officers to be considered from below the zone may be established through the application of the running mate system or otherwise as the Secretary determines to be appropriate to meet the needs of the Navy or Marine Corps.

SECTION REFERRED TO IN OTHER SECTIONS

This section is referred to in sections 14304, 14308 of this title.

§ 14307. Number of officers to be recommended for promotion

(a) DETERMINATION OF MAXIMUM NUMBER.—Before convening a promotion board under section 14101(a) of this title for a grade and competitive category (other than a vacancy promotion board), the Secretary of the military department concerned, under regulations prescribed by the Secretary of Defense, shall determine the maximum number of officers in that grade and competitive category that the board may recommend for promotion. The Secretary shall make the determination under the preceding sentence of the maximum number that may be recommended with a view to having on the reserve active-status list a sufficient number of officers in each grade and competitive category to meet the needs of the armed force concerned for officers on that list. In order to make that determination, the Secretary shall determine (1) the number of positions needed to accomplish mission objectives which require officers of such competitive category in the grade to which the board will recommend officers for promotion, (2) the estimated number of officers needed to fill vacancies in such positions during the period in which it is anticipated that officers selected for promotion will be promoted, (3) the number of officers authorized by the Secretary of the military department concerned to serve on the reserve active-status list in the grade and competitive category under consideration, and (4) any statutory limitation on the number of officers in any grade or category (or combination thereof) authorized to be on the reserve active-status list.

(b) BELOW-THE-ZONE SELECTIONS.—(1) The Secretary of the military department concerned

may, when the needs of the armed force concerned require, authorize the consideration of officers in the grade of captain, major, or lieutenant colonel on the reserve active-status list of the Army or Air Force, in a grade above first lieutenant on the reserve active-status list of the Marine Corps, or in a grade above lieutenant (junior grade) on the reserve active-status list of the Navy, for promotion to the next higher grade from below the promotion zone.

(2) When selection from below the promotion zone is authorized, the Secretary shall establish the number of officers that may be recommended for promotion from below the promotion zone in each competitive category to be considered. That number may not exceed the number equal to 10 percent of the maximum number of officers that the board is authorized to recommend for promotion in such competitive category, except that the Secretary of Defense may authorize a greater number, not to exceed 15 percent of the total number of officers that the board is authorized to recommend for promotion, if the Secretary of Defense determines that the needs of the armed force concerned so require. If the maximum number determined under this paragraph is less than one, the board may recommend one officer for promotion from below the promotion zone.

(3) The number of officers recommended for promotion from below the promotion zone does not increase the maximum number of officers that the board is authorized to recommend for promotion under subsection (a).

(a) REMOVAL BY PRESIDENT.—The President may remove the name of any officer from a promotion list at any time before the date on which the officer is promoted.

(b) REMOVAL FOR WITHHOLDING OF SENATE ADVICE AND CONSENT.—If the Senate does not give its advice and consent to the appointment to the next higher grade of an officer whose name is on a list of officers approved by the President for promotion (except in the case of promotions to a reserve grade to which appointments may be made by the President alone), the name of that officer shall be removed from the list.

This section is referred to in section 14501 of this title.

§ 14311. Delay of promotion: involuntary

(a) DELAY DURING INVESTIGATIONS AND PROCEEDINGS.—(1) Under regulations prescribed by the Secretary of the military department concerned, the appointment of an officer to a higher grade may be delayed if any of the following applies before the date on which the appointment would otherwise be made:

(A) Sworn charges against the officer have been received by an officer exercising general court-martial jurisdiction over the officer and the charges have not been disposed of.

(B) An investigation is being conducted to determine whether disciplinary action of any kind should be brought against the officer.

(C) A board of officers has been convened under section 14903 of this title to review the record of the officer.

(D) A criminal proceeding in a Federal or State court of competent jurisdiction is pending against the officer.

(2) If disciplinary action is not taken against the officer, if the charges against the officer are withdrawn or dismissed, if the officer is not separated by the Secretary of the military department concerned as the result of having been required to show cause for retention, or if the officer is acquitted of the charges, as the case may be, then (unless action to delay the officer's appointment to the higher grade has been taken under subsection (b)) the officer shall be retained on the promotion list, list of officers found qualified for Federal recognition, or list of officers nominated by the President to the Senate for appointment in a higher reserve grade and shall, upon promotion to the next higher grade, have the same date of rank, the same effective date for the pay and allowances of the grade to which promoted, and the same position

on the reserve active-status list as the officer would have had if no delay had intervened, unless the Secretary concerned determines that the officer was unqualified for promotion for any part of the delay. If the Secretary makes such a determination, the Secretary may adjust such date of rank, effective date of pay and allowances, and position on the reserve active-status list as the Secretary considers appropriate under the circumstances.

(b) DELAY FOR LACK OF QUALIFICATIONS.—Under regulations prescribed by the Secretary of the military department concerned, the appointment of an officer to a higher grade may also be delayed if there is cause to believe that the officer is mentally, physically, morally, or professionally unqualified to perform the duties of the grade to which selected. If the Secretary concerned later determines that the officer is qualified for promotion to the higher grade, the officer shall be retained on the promotion list, the list of officers found qualified for Federal recognition, or list of officers nominated by the President to the Senate for appointment in a higher reserve grade, and shall, upon promotion to that grade, have the same date of rank, the same effective date for pay and allowances of that grade, and the same position on the reserve active-status list as the officer would have had if no delay had intervened, unless the Secretary concerned determines that the officer was unqualified for promotion for any part of the delay. If the Secretary makes such a determination, the Secretary may adjust such date of rank, effective date of pay and allowances, and position on the reserve active-status list as the Secretary considers appropriate under the circumstances.

(c) NOTICE TO OFFICER.—(1) The appointment of an officer to a higher grade may not be delayed under subsection (a) or (b) unless the officer is given written notice of the grounds for the delay. The preceding sentence does not apply if it is impracticable to give the officer written notice before the date on which the appointment to the higher grade would otherwise take effect, but in such a case the written notice shall be given as soon as practicable.

(2) An officer whose promotion is delayed under subsection (a) or (b) shall be given an opportunity to make a written statement to the Secretary of the military department concerned in response to the action taken. The Secretary shall give consideration to any such statement.

(d) MAXIMUM LENGTH OF DELAY IN PROMOTION.—The appointment of an officer to a higher grade may not be delayed under subsection (a) or (b) for more than six months after the date on which the officer would otherwise have been promoted unless the Secretary concerned specifies a further period of delay. An officer's appointment may not be delayed more than 90 days after final action has been taken in any criminal case against the officer in a Federal or State court of competent jurisdiction or more than 90 days after final action has been taken in any court-martial case against the officer. Except for court action, a promotion may not be delayed more than 18 months after the date on which the officer would otherwise have been promoted.

(e) DELAY BECAUSE OF LIMITATIONS ON OFFICER STRENGTH IN GRADE OR DUTIES TO WHICH ASSIGNED.—(1) Under regulations prescribed by the Secretary of Defense, the promotion of a reserve officer on the reserve active-status list who is serving on active duty, or who is on full-time National Guard duty for administration of the reserves or the National Guard, to a grade to which the strength limitations of section 12011 of this title apply shall be delayed if necessary to ensure compliance with those strength limitations. The delay shall expire when the Secretary determines that the delay is no longer required to ensure such compliance.

(2) The promotion of an officer described in paragraph (1) shall also be delayed while the officer is on duty described in that paragraph unless the Secretary of the military department concerned, under regulations prescribed by the Secretary of Defense, determines that the duty assignment of the officer requires a higher grade than the grade currently held by the officer.

(3) The date of rank and position on the reserve active-status list of a reserve officer whose promotion to or Federal recognition in the next higher grade was delayed under paragraph (1) or (2) solely as the result of the limitations imposed under the regulations prescribed by the Secretary of Defense or contained in section 12011 of this title shall be the date on which the officer would have been promoted to or recognized in the higher grade had such limitations not existed.

(4) If an officer whose promotion is delayed under paragraph (1) or (2) completes the period of active duty or full-time National Guard duty that the officer is required by law or regulation to perform as a member of a reserve component, the officer may request release from active duty or full-time National Guard duty. If the request is granted, the officer's promotion shall be effective upon the officer's release from such duty. The date of rank and position on the reserve active-status list of the officer shall be the date the officer would have been promoted to or recognized in the higher grade had the limitations imposed under regulations prescribed by the Secretary of Defense contained in section 12011 of this title not existed. If an officer whose promotion is delayed under paragraph (1) or (2) has not completed the period of active duty or full-time National Guard duty that the officer is required by law or regulation to perform as a member of a reserve component, the officer may be retained on active duty or on full-time National Guard duty in the grade in which the officer was serving before the officer's being found qualified for Federal recognition or the officer's selection for the promotion until the officer completes that required period of duty.

DELAYS IN PROMOTIONS

Section 1684(a) of title XVI of div. A of Pub. L. 103-337 provided that:

“(1) A delay in a promotion that is in effect on the day before the effective date of this title [Oct. 1, 1996, see section 1691(b)(1), (2) of Pub. L. 103-337, set out as an Effective Date note under section 10001 of this title] under the laws and regulations in effect on that date shall continue in effect on and after that date as if the promotion had been delayed under section 14311 of title 10, United States Code, as added by this title.

“(2) The delay of the promotion of a reserve officer of the Army or the Air Force which was in effect solely to achieve compliance with limitations set out in section 524 of title 10, United States Code, or with regulations prescribed by the Secretary of Defense with respect to sections 3380(c) and 8380(c) of title 10, United States Code, as in effect on the day before the effective date of this title, shall continue in effect as if the promotion had been delayed under section 14311(e) of such title, as added by this title.”

SECTION REFERRED TO IN OTHER SECTIONS

This section is referred to in sections 14308, 14316 of this title.

§ 14312. Delay of promotion: voluntary

(a) AUTHORITY FOR VOLUNTARY DELAYS.—(1) The Secretary of the military department concerned may, by regulation, permit delays of a promotion of an officer who is recommended for promotion by a mandatory selection board convened under section 14101(a) or a special selection board convened under section 14502 of this title at the request of the officer concerned. Such delays, in the case of any promotion, may extend for any period not to exceed three years from the date on which the officer would otherwise be promoted.

(2) Regulations under this section shall provide that—

(A) a request for such a delay of promotion must be submitted by the officer concerned before the delay may be approved; and

(B) denial of such a request shall not be considered to be a failure of selection for promotion unless the officer declines to accept a promotion under circumstances set forth in subsection (c).

(b) EFFECT OF APPROVAL OF REQUEST.—If a request for delay of a promotion under subsection (a) is approved, the officer's name shall remain on the promotion list during the authorized period of delay (unless removed under any other provision of law). Upon the end of the period of the authorized delay, or at any time during such period, the officer may accept the promotion, which shall be effective on the date of acceptance. Such an acceptance of a promotion shall be made in accordance with regulations prescribed under this section.

(c) EFFECT OF DECLINING A PROMOTION.—An officer's name shall be removed from the promotion list and, if the officer is serving in a grade below colonel or, in the case of the Navy, captain, the officer shall be considered to have failed of selection for promotion if any of the following applies:

(1) The Secretary concerned has not authorized voluntary delays of promotion under subsection (a) to the grade concerned and the officer declines to accept an appointment to a higher grade.

(2) The Secretary concerned has authorized voluntary delays of promotion under sub-

section (a), but has denied the request of the officer for a delay of promotion and the officer then declines to accept an appointment to a higher grade.

(3) The Secretary concerned has approved the request of an officer for a delay of promotion and, upon the end of the period of delay authorized in accordance with regulations prescribed under subsection (a), the officer then declines to accept an appointment to a higher grade.

(Added Pub. L. 103-337, div. A, title XVI, §1611, Oct. 5, 1994, 108 Stat. 2941.)

SECTION REFERRED TO IN OTHER SECTIONS

This section is referred to in sections 14308, 14309 of this title.

§ 14313. Authority to vacate promotions to grade of brigadier general or rear admiral (lower half)

(a) AUTHORITY.—The President may vacate the appointment of a reserve officer to the grade of brigadier general or rear admiral (lower half) if the period of time during which the officer has served in that grade after promotion to that grade is less than 18 months.

(b) EFFECT OF PROMOTION BEING VACATED.—Except as provided in subsection (c), an officer whose promotion to the grade of brigadier general is vacated under this section holds the grade of colonel as a reserve of the armed force of which the officer is a member. An officer whose promotion to the grade of rear admiral (lower half) is vacated under this section holds the grade of captain in the Naval Reserve. Upon assuming the lower grade, the officer shall have the same position on the reserve active-status list as the officer would have had if the officer had not served in the higher grade.

(c) SPECIAL RULE FOR OFFICERS SERVING AS ADJUTANT GENERAL.—In the case of an officer serving as an adjutant general or assistant adjutant general whose promotion to the grade of brigadier general is vacated under this section, the officer then holds the reserve grade held by that officer immediately before the officer's appointment as adjutant general or assistant adjutant general.

§ 14502. Special selection boards: correction of errors

(a) OFFICERS NOT CONSIDERED BECAUSE OF ADMINISTRATIVE ERROR.—(1) In the case of an officer or former officer who the Secretary of the military department concerned determines was not considered for selection for promotion from in or above the promotion zone by a mandatory promotion board convened under section 14101(a) of this title because of administrative error, the Secretary concerned shall convene a special selection board under this subsection to determine whether such officer or former officer should be recommended for promotion. Any such board shall be convened under regulations prescribed by the Secretary of Defense and shall be appointed and composed in accordance with section 14102 of this title and shall include the representation of competitive categories required by that section. The members of a board convened under this subsection shall be required to take an oath in the same manner as prescribed in section 14103 of this title.

(2) A special selection board convened under this subsection shall consider the record of the officer or former officer as that record would have appeared to the promotion board that

should have considered the officer or former officer. That record shall be compared with a sampling of the records of those officers of the same grade and competitive category who were recommended for promotion and those officers of the same grade and competitive category who were not recommended for promotion by that board.

(3) If a special selection board convened under paragraph (1) does not recommend for promotion an officer or former officer in a grade below the grade of colonel or, in the case of an officer or former officer of the Navy, captain, whose name was referred to it for consideration, the officer or former officer shall be considered to have failed of selection for promotion.

(b) OFFICERS CONSIDERED BUT NOT SELECTED; MATERIAL ERROR.—(1) In the case of an officer or former officer who was eligible for promotion and was considered for selection for promotion from in or above the promotion zone under this chapter by a selection board but was not selected, the Secretary of the military department concerned may, under regulations prescribed by the Secretary of Defense, convene a special selection board under this subsection to determine whether the officer or former officer should be recommended for promotion, if the Secretary determines that—

(A) the action of the selection board that considered the officer or former officer was contrary to law or involved material error of fact or material administrative error; or

(B) the selection board did not have before it for its consideration material information.

(2) A special selection board convened under paragraph (1) shall be appointed and composed in accordance with section 14102 of this title (including the representation of competitive categories required by that section), and the members of such a board shall take an oath in the same manner as prescribed in section 14103 of this title.

(3) Such board shall consider the record of the officer or former officer as that record, if corrected, would have appeared to the selection board that considered the officer or former officer. That record shall be compared with a sampling of the records of those officers of the same grade and competitive category who were recommended for promotion and those officers of the same grade and competitive category who were not recommended for promotion by that board.

(4) If a special selection board convened under paragraph (1) does not recommend for promotion an officer or former officer in the grade of lieutenant colonel or commander or below whose name was referred to it for consideration, the officer or former officer shall be considered to have failed of selection for promotion by the board which did consider the officer but incurs no additional failure of selection for promotion from the action of the special selection board.

(c) REPORT.—Each special selection board convened under this section shall submit to the Secretary of the military department concerned a written report, signed by each member of the board, containing the name of each officer it recommends for promotion and certifying that the board has considered carefully the record of each officer whose name was referred to it.

(d) APPLICABLE PROVISIONS.—The provisions of sections 14104, 14109, 14110, and 14111 of this title apply to the report and proceedings of a special selection board convened under this section in the same manner as they apply to the report and proceedings of a promotion board convened under section 14101(a) of this title.

(e) APPOINTMENT OF OFFICERS RECOMMENDED FOR PROMOTION.—(1) An officer whose name is placed on a promotion list as a result of recommendation for promotion by a special selection board convened under this section, shall, as soon as practicable, be appointed to the next higher grade in accordance with the law and policies which would have been applicable had he been recommended for promotion by the board which should have considered or which did consider him.

(2) An officer who is promoted to the next higher grade as the result of the recommendation of a special selection board convened under this section shall, upon such promotion, have the same date of rank, the same effective date for the pay and allowances of that grade, and the same position on the reserve active-status list as the officer would have had if the officer had been recommended for promotion to that grade by the selection board which should have considered, or which did consider, the officer.

(3) If the report of a special selection board convened under this section, as approved by the President, recommends for promotion to the next higher grade an officer not currently eligible for promotion or a former officer whose name was referred to it for consideration, the Secretary concerned may act under section 1552 of this title to correct the military record of the officer or former officer to correct an error or remove an injustice resulting from not being selected for promotion by the board which should have considered, or which did consider, the officer.

(f) TIME LIMITS FOR CONSIDERATION.—The Secretary of Defense may prescribe by regulation the circumstances under which consideration by a special selection board is contingent upon application for consideration by an officer or former officer and time limits within which an officer or former officer must make such application in order to be considered by a special selection board under this section.

(g) LIMITATION OF OTHER JURISDICTION.—No official or court of the United States shall have power or jurisdiction—

(1) over any claim based in any way on the failure of an officer or former officer of the armed forces to be selected for promotion by a selection board convened under chapter 1403 of this title until—

(A) the claim has been referred to a special selection board by the Secretary concerned and acted upon by that board; or

(B) the claim has been rejected by the Secretary without consideration by a special selection board; or

(2) to grant any relief on such a claim unless the officer or former officer has been selected for promotion by a special selection board convened under this section to consider the officer's claim.

(h) JUDICIAL REVIEW.—(1) A court of the United States may review a determination by the Secretary concerned under subsection (a)(1), (b)(1), or (e)(3) not to convene a special selection board. (3)(A) Notwithstanding any other provision of this chapter or chapter 36 of title 38, any payment of an educational assistance allowance described in subparagraph (B) of this paragraph shall not—

(i) be charged against the entitlement of any individual under this chapter; or

(ii) be counted toward the aggregate period for which section 3695 of title 38 limits an individual's receipt of assistance.

(C) The period for which, by reason of this subsection, an educational assistance allowance is not charged against entitlement or counted toward the applicable aggregate period under section 3695 of title 38 shall not exceed the portion of the period of enrollment in the course or courses for which the individual failed to receive credit or with respect to which the individual lost training time, as determined under subparagraph (B)(ii).

(d)(1) Except as provided in paragraph (2), the amount of the monthly educational assistance allowance payable to a person pursuing a full-time program of apprenticeship or other on-the-job training under this chapter is—

(C) for each of the months following the first 12 months of the person's pursuit of such program, 35 percent of such monthly educational assistance allowance.

(2) In any month in which any person pursuing a program of education consisting of a program of apprenticeship or other on-the-job training fails to complete 120 hours of training, the amount of the monthly educational assistance allowance payable under this chapter to the person shall be limited to the same proportion of the applicable full-time rate as the number of hours worked during such month, rounded to the nearest 8 hours, bears to 120 hours.

(3)(A) Except as provided in subparagraph (B), for each month that such person is paid a monthly educational assistance allowance under this chapter, the person's entitlement under this chapter shall be charged at the rate of—

(C) Such allowance shall be paid quarterly on a pro rata basis for the lessons completed by the person and serviced by the institution.

(2) In each case in which the amount of educational assistance is determined under paragraph (1), the period of entitlement of the person concerned shall be charged with one month for each amount equal to the amount of the monthly rate payable under subsection (b)(1)(A) for the fiscal year concerned which is paid to the individual as an educational assistance allowance.

(f)(1) Each individual who is pursuing a program of education consisting exclusively of flight training approved as meeting the requirements of section 16136(c) of this title shall be paid an educational assistance allowance under this chapter in the amount equal to 60 percent of the established charges for tuition and fees

which similarly circumstanced nonveterans enrolled in the same flight course are required to pay.

(2) No educational assistance allowance may be paid under this chapter to an individual for any month during which such individual is pursuing a program of education consisting exclusively of flight training until the Secretary has received from that individual and the institution providing such training a certification of the flight training received by the individual during that month and the tuition and other fees charged for that training.

(3) The period of entitlement of an individual pursuing a program of education described in paragraph (1) shall be charged with one month for each amount equal to the amount of the monthly rate payable under subsection (b)(1)(A) for the fiscal year concerned which is paid to that individual as an educational assistance allowance for such program.

(4) The number of solo flying hours for which an individual may be paid an educational assistance allowance under this subsection may not exceed the minimum number of solo flying hours required by the Federal Aviation Administration for the flight rating or certification which is the goal of the individual's flight training.

(2)(A) Subject to subparagraph (B), the Secretary concerned, through the Secretary of Veterans Affairs, shall pay to a person receiving individualized tutorial assistance pursuant to paragraph (1) a tutorial assistance allowance. The amount of the allowance payable under this paragraph may not exceed \$100 for any month, nor aggregate more than \$1,200. The amount of the allowance paid under this paragraph shall be in addition to the amount of educational assistance allowance payable to a person under this chapter.

(B) A tutorial assistance allowance may not be paid to a person under this paragraph until the educational institution at which the person is enrolled certifies that—

(i) the individualized tutorial assistance is essential to correct a deficiency of the person in a subject required as a part of, or which is prerequisite to, or which is indispensable to the satisfactory pursuit of, an approved program of education;

(ii) the tutor chosen to perform such assistance is qualified to provide such assistance

and is not the person's parent, spouse, child (whether or not married or over eighteen years of age), brother, or sister; and

(iii) the charges for such assistance do not exceed the customary charges for such tutorial assistance.

(B) A person's period of entitlement to educational assistance under this chapter shall be charged at the rate of one month for each amount of assistance paid to the individual under this section in excess of \$600 that is equal to the amount of the monthly educational assistance allowance which the person is otherwise eligible to receive for full-time pursuit of an institutional course under this chapter.

(h) A program of education in a course of instruction beyond the baccalaureate degree level shall be provided under this chapter, subject to the availability of appropriations.

(i)(1) In the case of a person who has a skill or specialty designated by the Secretary concerned as a skill or specialty in which there is a critical shortage of personnel or for which it is difficult to recruit or, in the case of critical units, retain personnel, the Secretary concerned may increase the rate of the educational assistance allowance applicable to that person to such rate in excess of the rate prescribed under subparagraphs (A) through (D) of subsection (b)(1) as the Secretary of Defense considers appropriate, but the amount of any such increase may not exceed \$350 per month.

(2) In the case of a person who has a skill or specialty designated by the Secretary concerned as a skill or specialty in which there is a critical shortage of personnel or for which it is difficult to recruit or, in the case of critical units, retain personnel, who is eligible for educational benefits under chapter 30 (other than section 3012) of title 38 and who meets the eligibility criteria specified in subparagraphs (A) and (B) of section 16132(a)(1) of this title, the Secretary concerned may increase the rate of the educational assistance allowance applicable to that person to such rate in excess of the rate prescribed under section 3015 of title 38 as the Secretary of Defense considers appropriate, but the amount of any such increase may not exceed \$350 per month.
